The Deirdre O'Mara School of Irish Dance provides a unique experience that combines culture & creativity with fun & hard work. Competition is an option, but it is **not** a requirement. The only requirements are a love of Irish dance and a willingness to work hard & have fun.

I ask that both you and your child make a commitment to Irish Dance, and that you miss class only when absolutely necessary. This is in the best interest of learning the steps, learning to stick with something, fostering teamwork, and being the best that we can be. Consistency is the key to success.

I feel our school provides the best combination of the traditional & the many changes that have occurred in the world of Irish dance. My wish for our dancers is that they dance with not just their feet, but with their heart. Our school will develop confidence, in an atmosphere of growth & inspiration.
